It's been in use now for 40 years! During this last year, your partnership resulted in many new translations of "JESUS," and other films. More than 1,500 ministry partners use these tools.

## The Heart of a Recording Technician

*"I found that being on a translation trip to record 'JESUS' in a new language brings much deeper meaning to certain Bible passages. Working with national workers has opened my eyes to the many dangers and trials they face to translate 'JESUS,' to show their unreached people the gospel. Our coordinator in this region is Moses. He is a solid rock. He's helped record more than 50 translations of 'JESUS' and has shown the film more than a thousand times! He's faced his own mortality as he met resistance from numerous groups. But as a reward for his perseverance, he's seen thousands of men, women and children accept Jesus as their Lord and Savior."*

## 2018 Ministry Reports

### Moments From "Mediterranean Frontier"

Every year hundreds of volunteers converge on the southern ports of Europe to give New Testaments and "JESUS" to North Africans crossing the Mediterranean by ferry between Europe and North Africa. The reports are many!

- A Muslim man: *"You are making an impact. There are North Africans [coming to Jesus] because of you."*
- Through tears a young man prayed to receive Christ. *"I followed Islam for 13 years and nothing changed in my life. Now, in just one minute, my whole life was changed."*
- A young man driving a very nice car accepted a flash drive with the audio version of "JESUS." He returned 20 minutes later and said to a worker: *"I want you to know that I plan to listen to this the entire trip. I want five more to give away."*

## Partners Showing "JESUS" and Restoring Lives

From a ministry partner, Jesus Film Harvest Partners of Church of the Nazarene:

*"[Our] 773 'JESUS' film teams are ministering around the world. They have incredible opportunities and plans to go where the church is not yet, with a vision to give every person an opportunity to hear about Jesus Christ."* This ministry partner passes along many reports of transformed lives, such as a husband who was so obsessed with drinking that he had lost his memory. He testified: *"I had been drinking for 10 years and my life had no meaning or purpose. My wife left me, taking our children with her. I was considered a madman by my neighbors. After I watched the life of Christ and saw the sacrifice Jesus made on the cross for me, I asked Jesus to forgive my sins and release me from my addiction to alcohol. I want to live my life for God and be reunited with my wife and children."*

We are so grateful for every giving friend, for every ministry partner! The film “JESUS” belongs to the church worldwide. It's our privilege to make these tools, the translations, equipment and training available to tens of thousands of workers, pastors, disciplers and church planters in virtually every nation on earth. The pace of church planting is amazing and increasing. It's why we believe fulfillment of the Great Commission is in sight! One of the most promising tools is online streaming. Six partner ministries now link their web ministries to the Jesus Film Project® video and audio server. Last year, segments or complete portions of the films were viewed 3,498,353 times in 1,574 languages via the app and Jesus Film® streaming platform! There has never before been such a global outreach of partnership as we are seeing today. To Him goes the glory!
