

This past year has been remarkable in many ways—a year of milestones! The film “JESUS” surpassed 2,000 language translations, now more than 2,040 as this report is printed. We believe broadcasts of “JESUS” on TV and radio reached 139.3 million. New digital and social outreaches—via the internet—overcame many barriers. We count it a privilege to share this remarkable film, to be stewards of your gifts, and supply more than 1,800 ministry partners and thousands of team members with tools, translations and training. The Scriptures say, “Now it is required that those who have been given a trust must prove faithful” (I Corinthians 4:2, NIV). Careful oversight is applied to gifts, income and expenses, monitoring and assuring the effectiveness of each strategy. May this brief report adequately share the fruit of your partnership and bring honor to our Savior. For all you do, we thank you.

Reaching Everyone, Everywhere ... by Every Pathway, Every Technology

Reaching Them Through Heart Languages

Cong watched the ‘JESUS’ film in awe. Christ’s power over evil spirits resonated with him. Locals in Southeast Asia knew Cong as the man who cursed or blessed others with evil spirits. He also suffered from a drug addiction. But after Cong saw the scene portraying Christ casting out demons, he decided to follow Jesus. He rushed home to burn his altars to evil spirits. He no longer desired drugs. Soon he shared the good news with his family, and six of them came to know and follow Christ! The Holy Spirit has since transformed Cong’s home from an altar for demons to a house of worship to our God.

Reaching Them Through Partners and Tools

“Just giving you an update of the Jesus Film equipment in Kyiv. Our church is showing the ‘JESUS’ film twice a week. Through the showing of the film, food distribution and preaching in the streets, they have seen about 130 people come to Christ each month. They are limited to show the film only inside because of curfew after dark but are looking forward to when restrictions are lifted. Thanks again for your help with the equipment.

Reaching Them Through Broadcasts and Digital Media

“I am totally amazed at what the digital scene has been able to accomplish in dispersing the message of Jesus throughout the world via the process of ‘heart’ languages. I’m sure that Satan has intended the digital scene for the tearing down of all of our lives. Praise God for His rapid use of this ability to spread His Word in changing thousands of lives worldwide! Mark 16:15 is coming alive! And He told me to be a part of that scene! I realize that He may be coming very soon.”

“After this I looked, and behold, a great multitude that no one could number, from every nation, from all tribes and peoples and languages, standing before the throne and before the Lamb, clothed in white robes, with palm branches in their hands, and crying out with a loud voice, ‘Salvation belongs to our God who sits on the throne, and to the Lamb!’”

—Revelation 7:9-10, English Standard Version.

2022 Ministry Statistics

How You Are Taking the Gospel to the Unreached

The year 2022 saw a decline of the COVID-19 virus in much of the world. By God's grace and by the implementation of proper precautions, few teams fell ill. Their ministries continued. God actually used the pandemic to accelerate the development of and use of digital outreaches, like the "...Do You Ever Wonder?" series along with television and radio broadcasting. During 2022, millions more people doubted all they have believed and began a search for something better. They found it through the gospel, made visible by social, digital and broadcast strategies. Moreover, translation teams continued their work, often remotely using Zoom, language workshops and other internet means. An increasing number of smaller language groups saw translations of "JESUS" completed. And in spite some of travel limitations, 84 translations of "JESUS" and other Jesus Film® media were completed. So, there is much for which to be thankful. This is your ministry. For your kind partnership and trust in Jesus Film Project®, thank you.

"The 'JESUS' film continues to cause powerful repercussions around the globe. Hundreds of thousands of people are coming to Christ as a result of the many teams who take this film into unreached areas."
