Monday: Equipping Partners for Evangelism

Part of our mission at Jesus Film Project® is to help equip and train the global church. Pray for these efforts across six continents, and especially in the Middle East.

Tuesday: Heart Languages

More than 2,000 translations of *JESUS* have been completed. Now we are focused on the larger challenge of translating and recording the film into the languages of smaller, harder-to-reach populations. Pray for God to open doors for these recordings, many of which are set to occur in Africa and Oceania. Also pray for an upcoming film we're working on that we believe will reach families and new generations in these regions in their language.

Wednesday: Reaching the Least Reached

The mission of every believer is to share the hope of Jesus with every tribe and tongue. With nearly 75% of the world's population still unreached with the gospel living in just 12 countries, we've set our sights on reaching them. They represent "every tribe and tongue." Many of these countries are in Asia and the Middle East. Pray for more laborers to pray for and minister to people in Asia and the Middle East.

Thursday: Drawing Seekers to Christ Online

People across the globe spend hours online every day. Whether on social media, through virtual reality, gaming or on YouTube, many are searching online for what can only be found in Jesus. Pray for outreach workers engaging with these seekers; pray hearts will be open and respond to Christ.

Friday: Television and Radio Broadcasts

On Christmas day, New Year's day and all year long, *JESUS* and other films are proclaiming Christ to hundreds of thousands by way of television and radio broadcasts. Ask God to soften hearts to receive the message of the gospel as they watch. Pray for believers to effectively follow up with those who respond.

Saturday: Our Staff and Partners

Please pray for our global staff and partners working in hard-to-reach countries who are engaged in spiritual warfare every day. Pray for their physical and emotional well-being, as well as their overall protection.

Sunday: New Churches for Growing Believers

Churches and Christian fellowships provide essential communities where believers can grow in their faith. Pray for God to provide tools and training to mobilize partners and for churches to thrive and multiply.
